

Painted Models/Armies & Scoring System

The goal of 'The Battle for Salvation' is to have a great time and enjoy the weekend full of gaming and winning prizes. In order for us to be able to judge the painted armies competition fairly, we have come up with a scoring system with different criteria's that we ask all the participants to fulfill.

Basic Criteria:

1. Is everything in the army painted & based?
 - a. No metal or plastic showing
 - b. No primer showing
 - c. Minimum of 3 colors
 - d. Bases need to be based
 - e. Is the entire army painted & based in cohesion

Score: 0-10 points can be earned (2 pointst for each)
2. Can you identify Independent Characters, Squad Leaders, and/or distinct units?

Score: 0-2 points can be earned
3. Can you distinguish the different squads?

Score: 0-2 points can be earned
4. Is the entire army completed (painted and based)?

Score: 0-1 points can be earned

Advanced Criteria:

5. Is the entire army WYSIWYG?

Score: 0 or 5 points can be earned
6. Extra detail and conversions?
 - a. Bases are not just sanded or flocked
 - b. Squad markings that are more than just enough to differentiate different squads (no decals)
 - c. Free hand work
 - d. Subtle or extreme conversions (well executed, not messy)
 - e. Uniqueness to army such as theme or variations of different parts from different models (not just a standard army)

Score: 0-10 points can be earned (2 points for each)
7. Highlighting and Shading?
 - a. Single line highlights
 - b. Double line highlights
 - c. Blended highlights
 - d. Blended shadows
 - e. Blended highlight and shadows

Score: 0-10 points can be earned (2 pointst for each)
8. Masterclass?
 - a. Be one of the top 10 painted armies of the day

Score: 10 points can be earned

Possible points that can be earned: **50 points**
